poolflow
THE SCIENCE OF SIMPLE POOL CARE

POOLFLOW DUAL CLEAN

2-in-1 Pipe Degreaser & Cartridge Cleaner

Eliminate the need for separate products

This powerful 2-in-1 product combines filter cartridge cleaning and pipe system degreasing.

Its professional-grade formula removes stubborn contaminants such as body oils, lotions, minerals, and biofilm buildup that regular cleaners can't handle. Cleaner filters and pipes improve water circulation, boost sanitisation, keep your water crystal clear and extend the life of your equipment.

PERFECT FOR
Spas and pools with cartridge filters

1 KG

AVAILABLE SIZES

POOLFLOW DUAL CLEAN

The Complete Cleaning Solution

Active Ingredient: 100% Trisodium Phosphate

What Dual Clean Removes

FILTER CONTAMINANTS

- Body oils and lotions that clog filter fibres
- Mineral deposits from hard water
- Soap residue and cosmetic buildup
- Organic matter and debris accumulation

PIPE SYSTEM BUILD UP

- Biofilm formation in hard-to-reach areas
- Scale deposits that restrict flow
- Grease and oil accumulation in plumbing
- Bacterial growth in stagnant areas

Key Benefits

ONE PRODUCT, TWO APPLICATIONS
Complete system care in a single solution

RESTORES OPTIMAL FLOW RATES
Improves circulation and heating efficiency

EXTENDS EQUIPMENT LIFE
Prevents costly repairs and replacements

IMPROVES FILTRATION
Ensures maximum contaminant removal

ENHANCES WATER QUALITY
Supports overall spa hygiene

The Perfect Partnership:

Dual Clean + Lithium Pro + Alka Boost

It's Not About Using More Products - **It's About Using the *Right* Products**

Use of Dual Clean maintains your spa's filtration and circulation systems at peak performance, ensuring clean, comfortable water and reliable equipment operation.
